Another year goes passing by
Another Prom is here;
To some that brings a joyous smile
To others, brings a tear.
For four years you have tread a path
From dawn to setting sun;

We'll miss you when you've gone;
And to the Class of '82
We dedicate our PROM.

Following several weeks of rehearsal, the play was performed at the District 13 One-Act Contest at Jordan High School in February.

The Hours

There is a time for some things,
and a time for all things.
A time for great things,
and a time for small things.

Time is the coin of your life.
It is the only coin you have and only you can
determine how it will be spent.
Be careful lest you let others spend it for you.

Waterville hosts district student council convention

Student Council

The student council works as a representative governing body for the students. It is made up of members from each class. This year the council was active on the local, district, and state levels. Locally, they put on community service projects such as a food drive, a card drive, and Senior Citizens Day, along with several student related activities such as movies, sportsmanship contests, and Sno-Fest. On the district level of the Minnesota Association of Student Councils, the council hosted both the District Senior High Convention and the District Junior High Workshop. They also sent three local representatives to the state convention. The WEHS Student Council put in a full year and showed much accomplishment.

The Bucs finished out the season with a 3-6 record and a sixth place finish in the Gopher Conference. This is far from a good indication of their play. The team was a good one and many games were very close, being lost in the closing moments of each contest.

Over 100 players participated in grades seven through twelve. The all conference players were Fred Hrdlicka and Darren Bauer. Todd Hermel was the most improved player. Voted most valuable player on defense was Fred Hrdlicka. Darren Bauer was also the most valuable player on offense and the leading conference scorer with 42 points.

We are competitors, strong in our unity, losing with honor, jubilant with triumph.

Volleyball

This season wasn't exactly what we had hoped for but we were competitive in every match. This team did the best ever in our Invitational Tournament, taking second place. The prospective upcoming varsity is going to have to work hard to replace our graduating seniors: Karen Jacobson, Mary Splett, Teresa Kletschka, and Pat Kennedy.

Karen Jacobson was the team captain. The most outstanding defensive player was Pat Kennedy; the most outstanding offensive player was Karen Jacobson. The All-Conference player was Mary Splett, while the most improved player was Clare Hager.

Bucs show excellent ability

The girls worked very hard this season to replace the seniors we lost last year. Doing an excellent job of that were Jamie Peach and Karen Jacobson, stepping into the vacated guard positions. We had excellent ability in our power positions with Sigri Turner, Teresa Kletschka, and Tammy Domonoske. Even though we lose a majority of our varsity squad next year we have a very competitive core back in Tammy Domonoske, Jamie Peach, and Lisa Slechta.

Sigri Turner and Tammy Domonoske were the All-conference players. The team captains were Lisa Slechta and Sigri Turner. Jamie Peach was the most improved player. The best defensive players were Tammy Domonoske and Sigri Turner; the best offensive player was Tammy Domonoske.

Bucs third in state

In what was considered to be a rebuilding year for the Bucs, following the loss of six 1981 seniors from the 1980-81 state runner-up team, the 1981-82 edition of the Waterville-Elysian Wrestling Team did quite well when they finished their season with a third place finish in the State Tournament at the St. Paul Civic Center. After losing a close 27 -22 meet to conference rival Janesville early in the season, the Bucs went on to win the remainder of their regular season dual meets and finished second in the Gopher Conference dual meet race. They then avenged their loss to Janesville by outpointing the Bears and winning the Gopher Conference Tournament in February. The Bucs then ran away with the District Tournament and won the Region Title for the third time in five years and second in a row to give them the right to compete in St. Paul. The Bucs' win in the Conference Tourney was also their third in the past five years, and their District Title was their fourth in the past five years. During the season the Bucs also captured their second straight New Prague Tournament Title, finished second in the Waseca Tournament, and battled to a 15-2 final dual meet mark.

Individually, the Bucs also did well. Conference champs were Greg Wilmes, Gerard Wilmes, Pete Nusbaum, and Fred Hrdlicka; district champs included Dennis Delaske, Greg Wilmes, Gerard Wilmes, Pete Nusbaum, Paul Nusbaum, and Fred Hrdlicka. Region champs were Greg Wilmes and Pete Nusbaum. State Tournament qualifiers were Greg Wilmes, Gerard Wilmes, and Pete Nusbaum.

This year's All-conference wrestlers were Todd Ayers, Greg Wilmes, Gerard Wilmes, Pete Nusbaum, and Fred Hrdlicka. The most outstanding wrestler was Greg Wilmes, while the most improved wrestler was Jay Morsching. Todd Hermel was the recipient of the Wrestling Club Award; Fred Hrdlicka received the Coaches Award. Coach Cummins was, for the second straight year, the Minnesota Class A Wrestling Coach of the Year.

The Calendar

To the true teacher, time's hourglass
shall still run gold dust.

Theoretically we know that the earth revolves,
though in fact we are not aware of this;
The ground we walk on does not seem to move,
and our minds are undisturbed.
The same may be said of time.

Developing our human capabilities to the fullest is what ultimately matters most.

The Days

Know the true value of time;
Snatch, seize, and enjoy every moment of it.
No idleness, no laziness, no procrastination;
Never put off till tomorrow
what you can do today.

We work not only to produce
but to give value to time.

Highlights of the year

The Buccaneer Wrestling team placed third at the state tournament held at the St. Paul Civic Center on March 4, 5, 6, 1982. After losing to the eventual state champion Staples in the quarter finals, the Bucs came back to capture third place.

On Monday, October 12, 1981, the Waterville-Elysian band marched in the World's Largest Marching Band. Over 3000 Minnesotans marched through downtown Minneapolis to be recorded in the Guinness Book of World Records.

Echo '82 performed "Let The Sunshine In" live from the Rosedale Shopping Center as part of the Lion's Telethon for the hearing impaired on Sunday, March 28, 1982.

The 1982 senior class presented the school with robes for the Homecoming King and Queen

Disposable styrofoam trays and a malt machine were two new innovations in the cafeteria.

With the completion of the gounds south of the school building, additional playground/softball facilities were added.

This has been an exceptional year for winning awards and receiving honors for both individuals and groups on the local through the state levels. Many of these have already been reported on, on their respective pages.

Many Thanks

To our patrons we extend a very sincere thanks. This year, these people have paid for nearly one-third of the total cost of putting together this book. Without their community support, this book would not be possible.

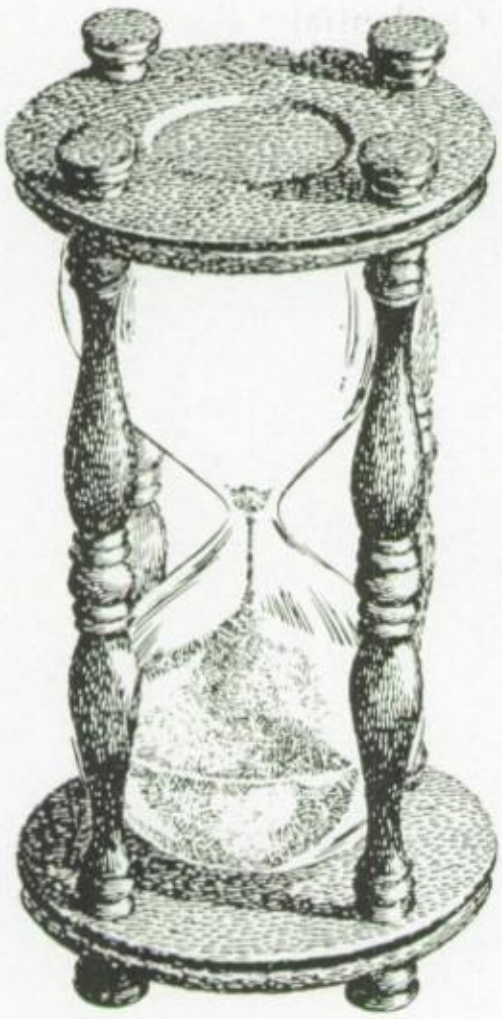
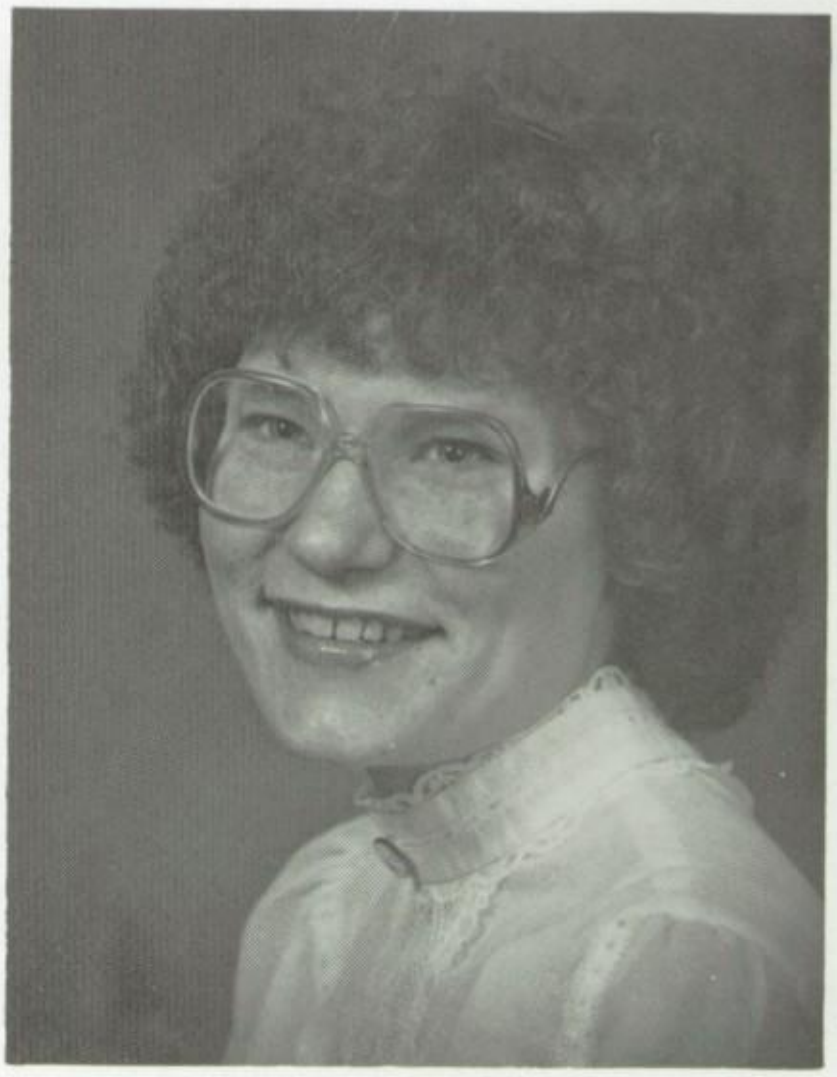
WAYNE J. PHOTOGRAPHY
201 South State Street
Waseca, Mn. 56093

Lost, yesterday, somewhere between Sunrise and Sunset, two golden hours, each set with sixty diamond minutes. No reward is offered for they are gone forever.

To everything there is a season, and a time to every purpose under the heaven.





The sands of the hourglass have run their course and we have reached the end of another experience. We are ready to turn the hourglass and begin anew.

With an entirely new staff this year, putting the yearbook together has been a slow, trying process. Much time and patience were required to complete each page, and we apologize for any mistakes that we may have made.

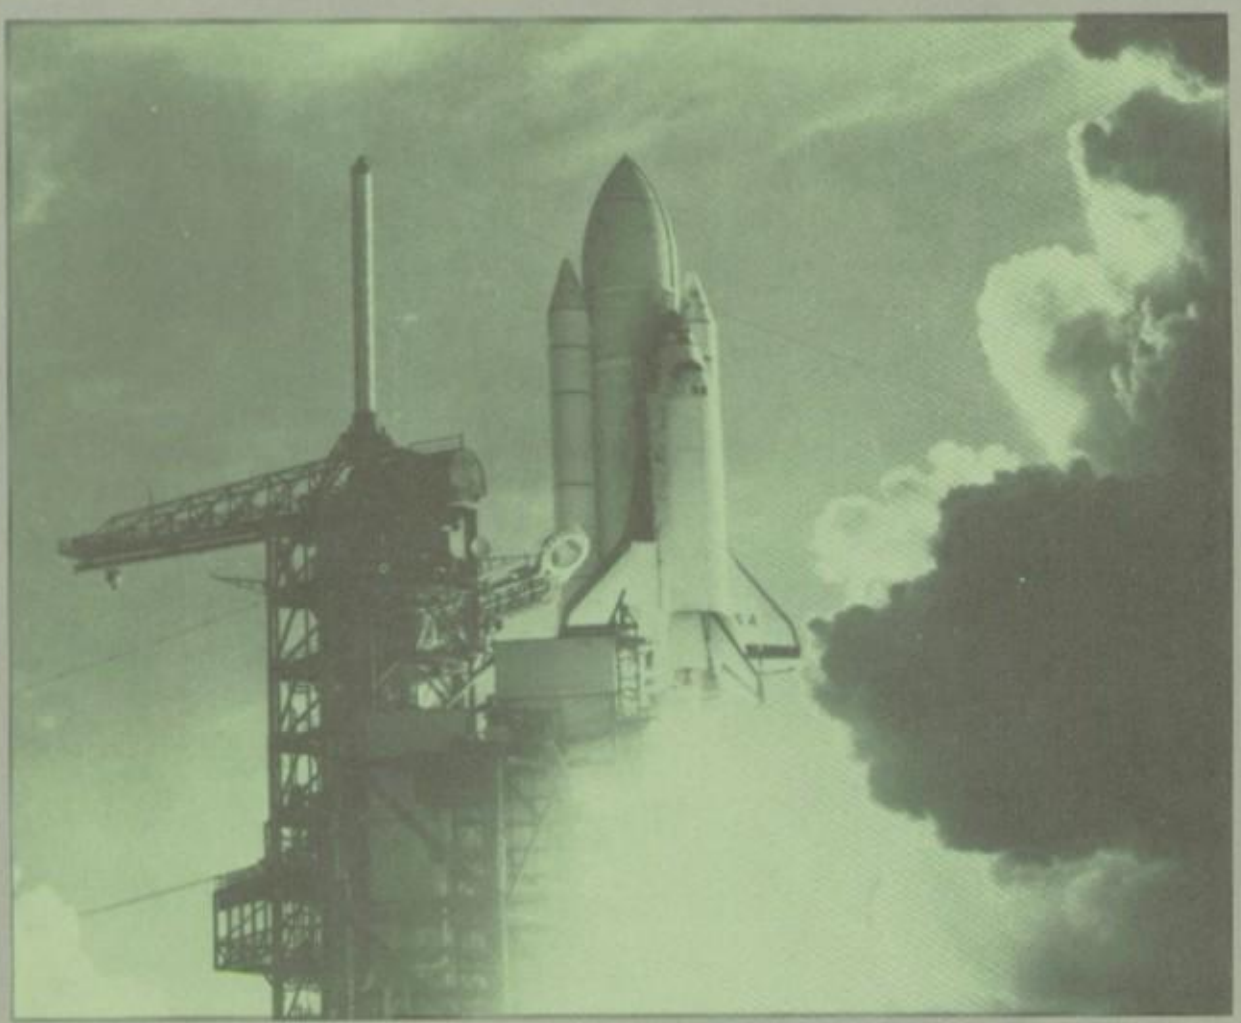
I would like to take this opportunity to give a big thanks to the many people listed below, and any others I may have missed, that, in various ways, have helped to make this book possible. The administration, the teachers, the coaches, the advisors, and the secretaries have cooperated and helped greatly during picture taking days, in getting information for the yearbook, and in many other ways. Wayne J. Photography has supplied us with nearly all of the group pictures and several action pictures for the yearbook. The Lake Region Life, Ms. Houser, Mrs. Hrdlicka, and others have also given us photographs. Colleen Traxler has helped me a lot with the theme of this book. Last, and most important, I would like to extend a thank-you to all of you that have bought our book, for without your support, there would be no yearbook!

I would especially like to thank my staff and our advisor, Mr. Meskan. They have worked many long hours, both during the school year and in the summer to finish this book. (It's been great having you back as advisor, Mr. Meskan!)

As the theme of this yearbook is "Time," I hope that it will remind you of all of the times, both happy and sad, that you have experienced at Waterville-Elysian High School.

Sincerely,
Susan M. Bosacker
Editor 1982 Buccaneer Log

CURRENT EVENTS



HISTORY-MAKING FLIGHT — The space shuttle "Columbia" made history by becoming the first manned space vehicle ever to return to orbit. The shuttle's two missions opened up new possibilities for future space travel.

PEACE RALLIES — The largest demonstration in Bonn, West Germany's history was a mass peace rally attended by about 200,000 people. It was indicative of the pacifist and antinuclear movement that swept Europe.

DERBY WINNER — Pleasant Colony won the 107th Kentucky Derby from a huge field of 21 horses. The jockey was Jorge Velasquez.

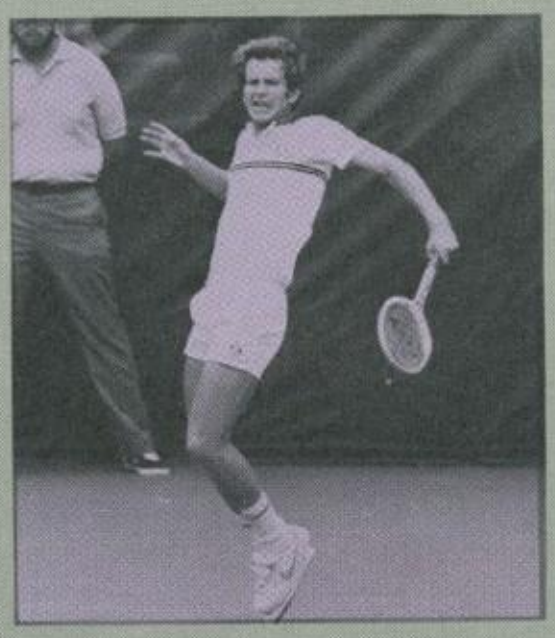
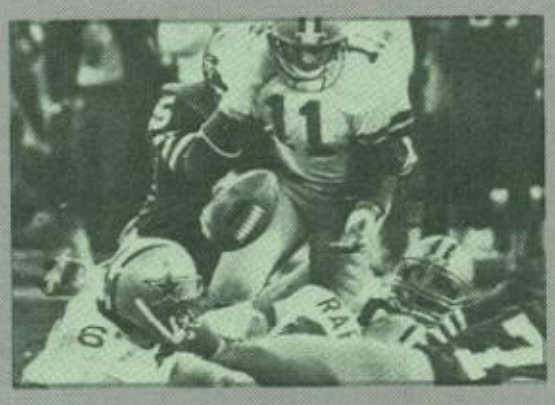
CABINET CONTROVERSY — President Reagan's controversial and aggressive Secretary of State, Alexander Haig, was chastened for lack of team play early in the Reagan administration.

FIRST WOMAN ON THE COURT — Sandra Day O'Connor became the first woman member of the U.S. Supreme Court. She is a lawyer and a former Arizona state senator.



McENROE WINS — John McEnroe defeated Bjorn Borg for the Wimbledon title. During the year, his on-court tennis behavior earned him the title of "Super Brat."



CALIFORNIA GOLD — Only two years after leading the NFL in losses, the San Francisco 49'ers led the league in victories and won the Super Bowl by defeating Cincinnati.

HOTEL DISASTER — Suspended walkways covered with people collapsed into the crowded lobby of the Hyatt Regency Hotel in Kansas City, killing 113 persons.

EGYPT'S SADAT KILLED — Egyptian President Anwar Sadat, the only Arab leader to make peace with the Jewish state, was assassinated by a group of army men as he viewed a military parade in Cairo.

ASSASSINATION ATTEMPT — President Reagan survived an attempt on his life when he was shot outside a hotel as he waved to the crowd. John Hinckley, Jr., was charged with shooting the President and three others.

INDY 500 - In a mass of controversy, the Indy 500 victory went first to Bobby Unser, then Mario Andretti (shown here) then back to Unser.

RUBIK'S CUBE CRAZE - James Nourse devised and published a solution to the Rubik's Cube invented by Hungarian professor Ernö Rubik.
